Comments:

The boundary of Tiburon City (Town of Tiburon) was created along the northeasterly right-of-way of Tiburon Boulevard as it existed in 1984. The boundary previously shown on TRA maps used the 1964 right-of-way. The purpose of this filing is to realign the city boundary to reflect the intent of the city annexation as described in the metes and bounds description from BOE file #405B.
